

This chart shows the product's performance as the percentage loss or gain per year over the last 10 years.

Past performance is not a reliable indicator of future performance. Markets could develop very differently in the future.

It can help you to assess how the product has been managed in the past.

Annualised performance is calculated after deducting all charges taken from the product.

Fund launch date: 31/05/2018 Shareclass launch date 31/05/2018
